II. BRIEF PRESENTATION	
<p>KIVU CONSULT LIMITED is specialized in providing consulting services to NGOs, Companies and other Institutions thanks to its four departments, each specialized and experienced in its own domain. KCL provides high quality services which meet the international standards.</p> <p>Our Mission:</p> <p>Our mission is to provide to local and international organizations, government and companies with professional and artistic services of high quality according to their daily needs. To achieve this goal, we have national and international experts.</p> <p>We also have the following as our specific mission:</p> <ul style="list-style-type: none"> • To fight against all the form of poverty in the African Great Lakes Region in general and in the Democratic Republic of Congo in particular; • To fight against negative consequences of unemployment in the area by giving young people who have University degrees the opportunity of working as consultants in our company instead of wandering in the area or founding criminal troops; • Contribute to the reconstruction and development of the African Great Lake Region in general and in the Democratic Republic of Congo in particular by promoting the talents of Congolese youth. 	

Our Value:

We always defend our honor by providing and performing services of high quality. We want at all costs to meet our customers' needs in the time and space expected because we value our customers' activities as ours.

Our Vision:

Our vision is to keep our customers in the coming years and bring many others by the daily improvement of the quality of our services. We wish to be different from other consulting companies by offering our customers a high quality of services at the lowest prices and having the highest moral standards.

Management:

KCL is managed by a core staff who manages the activities of the company in general in terms of administration and marketing. Apart from the core staff, each department is led by a head of the department who, together with the core staff, not only leads all other agents of the company, but also monitor the services provided by the company.
